

Father, I come to You in the Name of J esus . I bind and secure my mind and to Your mind. I bind and secure my thoughts to the thoughts of Christ. I bind and secure myself to the truth of Your Word, I bind and secure my will to the perfect will and purpose that You have for my live Lord. I cover myself under the precious Blood of J esus Christ.

I put on my full armour Lord, my helmet of s alvation, my crown of glory Lord, my headband that keeps my mind covered and held together. My surety that I am delivered and set free, that I'm res cued, I escaped the snare of the enemy, I am redeemed by the Blood of the Lamb. I put on my breastplate of righteousness Lord, my shield, my protective covering, my body armour, my bullet proof vest, to make sure that my heart stays whole, I put on my belt of truth, my girdle that straps me in, I fasten myself to Your truth Father and secure myself from not falling for the lies of the enemy. On my feet Lord I put the shoes of readiness to preach the good news in and out of season. I will not step into the thorns of life, I will be able to walk through and on the water, through rough areas and be willing to spread

Your Word. In my left hand I pick up the shield of faith, my protection, my safeguard, my buffer, my screen against the fiery darts of the enemy. By faith, confidently, believing and trusting in You, I have the assurance that no dart of doubt, disbelieve, discouragement, depression or any other dart will touch me. Teach me how to use my shield effectively. In my right hand Father I pick up the Sword, my weapon, my rapier, my blade of the Spirit, which is Your Word Lord. The conversations You have with me, Your statements, Your declarations, which becomes my declarations, Your commandments, Your authorization which gives me authority, Your orders that guides me and lead me to know the truth.

I pray Father that You will give Your angels charge to watch and to guide me in Jesus Name. Let them encircle me so that nothing or no one can get through. Thank You Father that I can face this day knowing I'm covered.

In Jesus Name I pray all these things.

Amen
