I greet you all in the wonderful Name of Jesus Christ of Nazareth,

What a month it was. So much has happened; people got saved, delivered and set free. People were healed from physical and spiritual pain and sicknesses. A huge thing standing out for me is the people who gave their hearts to the Lord, who made the full turn around and decided to turn their backs on the world and follow Jesus Christ with all inside of them.

It is easy to say a sinner's prayer, but it's something totally different when you make that decision and then become a disciple of Jesus Christ, Jesus gave us a commandment

Mat 28:19 Go then and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit,

Mat 28:20 Teaching them to observe everything that I have commanded you, and behold, I am with you all the days (perpetually, uniformly, and on every occasion), to the [very] close and consummation of the age. Amen (so let it be).

Mat 16:24 Then Jesus said to His disciples, If anyone desires to be My disciple, let him deny himself [*disregard, lose sight of, and forget himself and his own interests*] and take up his cross and follow Me [*cleave steadfastly to Me, conform wholly to My example in living and, if need be, in dying, also*].

And that is what is so awesome when someone decides to become a disciple of Jesus Christ. I jump for joy with the angels in heaven.

God has done so many miracles, there were so many healings.

I am so excited about what God has done for dr Erika, but I will let her tell her own testimony soon. You will be so blessed to hear what God has done for her.

We want to thank each and every intercessor who give their time, who makes their body available as a living sacrifice for Holy Spirit to work through, who travail many a times when others are sleeping. Thank you, without your prayers none of this could happen.

We want to thank each and every supporter prayer, financial or otherwise. This has been a tuff year and without your support this ministry will not be able to go on. We are still trusting God for the "safe haven" I do believe 2016 will be the year.

Thank you, thank you, and thank you. It is to a little word to describe our appreciation, so we pray the abundant blessing of our Father over each and every one of you, especially over this festive season.

The world sees it only as holiday, a time for drinking and party. Some Christians do not celebrate because it's not the right date, we understand, others celebrate it just to say thank You that there were a special day, whatever the precise date may be, when a Saviour was born for us. More important is that Father God has so much grace that He send His only Son to become human so that He can exactly know what we go through here on earth as humans. He knows our pain, all the struggles of being the outsider, being ridiculed for your faith and what it is to be mocked. Do you realise that Jesus Christ was so human, that if He did not eat, he would die of hunger like we will. And that is the reason why we celebrate one day in the year as the day that a Saviour was born for us, for our sins, iniquities, hurt, pain and everything that we struggle with.

As you know River of Life Missions have a special Christmas every year for either children, street people or the poor elderly, whatever God lays on our hearts.

So this year it is time for the elderly, there is an old age home with 42 elderly people here in Strand, who cannot afford even a decent meal for Christmas. We will be giving them a great meal on 26 December, and hope to be able to give them a little toiletries gift. If you want more info regarding this, you are welcome to contact me. If God lays it on your heart to support us with either food, a gift or financially, we will really appreciate it.

See our bank details on the website, please use reference..... Xmas 2016.

Then just one thing more please. Could you please complete the survey for us about the abuse? You can do it anonymously, just say if you are male or female please.

Stay blessed those of you who drive, please drive safe, enjoy the rest and get home safe. Remember to put on your full armour, you will not go out of your house naked, so do not go out of your house spiritually naked
